

Kongressprogramm 2021 (Stand 15.3.2021)

| | | |
|-------------|--|---|
| 08.45 | Kongresseröffnung und Grusswort / Opening | Reto ZILLIG Heidi TANNO |
| 08.50-09.35 | <ul style="list-style-type: none"> Beneficial effects of Dry Needling quantified by ultrasonography, self-reports and physical measures | Jay SHAH MD (USA) |
| | Fragen aus dem Auditorium / Questions from the audience | |
| 09.40-10.00 | Kaffeepause / Coffeebreak | |
| 10.00-10.40 | <ul style="list-style-type: none"> Adverse effects of dry-needling therapy: current status and future research | Aitor MARTIN PINTADO PhD, MSc, PT (ESP) |
| | Fragen aus dem Auditorium / Questions from the audience | |
| 10.45-11.25 | <ul style="list-style-type: none"> Outcome of dry-needling-therapy concerning spastic muscle associated pain and dysfunction | Sheng Li MD, PhD (USA) |
| | Fragen aus dem Auditorium / Questions from the audience | |
| 11.30-12.10 | <ul style="list-style-type: none"> New evidence on biopsy in MTrPs and there implication on the diagnosis of myofascial pain Dry Needling under EMG-guidance | Orlando Mayoral PhD (ESP) |
| | Fragen aus dem Auditorium / Questions from the audience | |
| 12.15-13.00 | Lunchbreak | |
| 13.00-13.40 | <ul style="list-style-type: none"> Effectiveness of dry needling for myofascial trigger points in musculoskeletal disorders: protocol for an overview of a systematic review Effectiveness of Low-Level Laser Therapy Targeting Myofascial Trigger Points: A Systematic Review and Meta-analysis | Marco BARBERO PhD (SUI) |
| | Fragen aus dem Auditorium / Questions from the audience | |
| 13.45-14.25 | <ul style="list-style-type: none"> Kritische Betrachtung der wissenschaftlichen Grundlagen von Triggerpunkten und deren Bezug zum Dry Needling | Prof.Dr.med. Sigfried MENSE (GER) |
| | Fragen aus dem Auditorium / Questions from the audience | |
| 14.30-14.45 | <ul style="list-style-type: none"> Praxiserfahrungen mit DNT bei Patienten mit Spastik | Valentina Keller PT (SUI) |
| | Fragen aus dem Auditorium / Questions from the audience | |
| 14.50-15.20 | <ul style="list-style-type: none"> Ultraschall geführtes Dry Needling in Tabuzonen: Praxiserfahrungen | Alexander GÜRTLER PT Stephan Bürgin Dr.med. (SUI) |
| | Fragen aus dem Auditorium / Questions from the audience | |
| 15.25-15.55 | <ul style="list-style-type: none"> Überblick zur Evidenzlage der DNT und deren Outcome in weiteren Diagnosebereichen und Therapieparametern | Reto Zillig PT (SUI) |
| 15.55-16.00 | Kongressabschluss | |
